CHARACTER APPEARANCE

Jeerdan is an Envoy in the Golden Company. Envoys are specialist class Officers who are typically assigned to Commanders, foreign Dignitaries, royalty, wealthy merchants, etc as bodyguards in high society. They can also be hired as seconds, or stand ins for people of High Society when resolving trials by combat.

As an Officer in the Golden Company Jeerdans authority and influence is recognized within the military organization, lower ranks defer to Jeerdan. He can invoke his rank to exert influence over other soldiers to requisition simple equipment/ horses for temporary use. Golden Company encampments and fortresses will grant Jeerdan access where his rank is recognized.

SYMBOL

ALLIES & ORGANIZATIONS

In the shadowed alleys of destiny, where the echoes of a bustling trade still resonate, Jeerdan Darcy emerged from a childhood shaped by the intertwined worlds of craftsmanship and martial skill. Born to a father renowned as a guild-recognized tailor and a mother hailing from a prosperous lineage of traders, Jeerdan's upbringing was marked by a delicate balance between the arts of commerce and combat.

Amidst the bustling tapestry of Rivertown's guilds and markets, Jeerdan's father recognized his son's innate talent for swordplay. Fearing the temptations of the city's streets and yearning for his son to hone his skills in a disciplined environment, he made the difficult decision to send Jeerdan to live with his uncle, a revered veteran of the demon war and a folk hero in their hometown.

Under the tutelage of his uncle, Jeerdan's potential flourished. The echoes of his uncle's valor became the guiding stars of his youth, leading him down a path steeped in tradition and martial prowess. Encouraged by tales of his uncle's heroic exploits, Jeerdan's journey unfolded within the hallowed halls of the Golden Company army, where his prowess with the blade found fertile ground.

Ascending through the ranks, Jeerdan earned the esteemed title of envoy, a prestigious position that saw him stationed in the Northern Duchy under the command of the revered Captain Bragg. For three years, he honed his skills at the Fjordane Watch Tower, fostering a unique bond with Captain Bragg forged on mutual respect for the art of one-on-one combat.

Yet, the winds of fate took an unexpected turn. Jeerdan found himself abruptly reassigned from the familiar watchtower to the bustling Port City Nevarellon. Housed in the enigmatic Belak Street Barracks with no clear directives, uncertainty cast a veil over his new orders, leaving Jeerdan to grapple with the mysteries shrouding his unexpected assignment.

His skills in the art of dueling now find a different battleground in the Shades, a notorious and treacherous district of Nevarellon, ruled by the elusive Dolly Sisters and shunned by the city watch. In the dimly lit streets, he now patrols, his heart heavy with questions that echo in the shadows. Is this reassignment a punishment or a trial of his mettle? As the enigma deepens, so does Jeerdan's determination to unearth the truths that led him from the watchtower to the beating heart of Nevarellon's underworld.
